

ON MAY 1ST SCHOOL IS IN THE STREETS

If you feel like you are going to prison each time you go to school. If you feel bored, isolated and excluded because you disagree with your teachers, the school security and the principal. Then you need to know you are not the only one. Bosses, cops and politicians tell us every minute where to be, what to do, what to know, when and how to speak and punishing us when we disagree.

If you feel like you are alone that's exactly what they want. Alone we are weak, **together we can do anything.**

This May 1st, a Tuesday, students and workers all over the city will gather together in the streets to party, protest, and rebel.
What will happen at your school is up to you!

Spread the word on Twitter, Facebook, Chalkboards:

**NO CLASS MAY FIRST!
CITYWIDE GENERAL STRIKE!**
